MANAGEMENT STATEMENTS APPROVAL AND CERTIFICATION

I, Pavel Sidorenco, Administrator of PRODEZVOLT SRL, approve the organisational statements and policies listed below and confirm that, to the best of my knowledge, they accurately reflect the organisation's current structure, management approach, editorial safeguards, financial context and evidence framework as of the date of signature.

This revised certification supersedes the previous Management Statements Approval dated 9 July 2026 only in relation to the updated Team Structure and Organigram. It does not alter or replace official records, financial statements, electronically signed public documents or third-party evidence. Those source documents remain authoritative.

Documents approved by this certification:

- Ownership and Governance Statement
- Editorial Independence and Ethics Policy
- Team Structure and Organigram v3
- Financial Context Note 2023-2025
- Revenue Model and Structure 2023-2025
- Audience Reach Verification Note
- Audience and Editorial Impact Evidence Pack
